

At the Siuslaw Public Library, we will serve all residents throughout the transition to a thriving post-COVID community.

This is how:

**We will get library materials into the hands of users**

- ...by circulating 65,000 physical items in 2021.
- ...by circulating 5% more items of all kinds quarter over quarter.
- ...by increasing the use of the library's electronic resources by 25% in 2021.
- ...by providing two ways to access materials without a phone or internet connection.
- ...by resuming loans to and from other libraries.

**We will connect people with technology**

- ...by ensuring 2,500 people access library-provided computers and hardware in 2021.
- ...by increasing the range of the library's wireless internet access to the public sidewalk.
- ...by offering technology instruction services accessed by 1,000 people by the end of 2021.
- ...by introducing an average of 100 users each month to online job search, legal assistance, career testing, or government resources.

**We will serve people and institutions engaged in learning**

- ...by creating literacy programs that reach an average of 250 families each week.
- ...by connecting 1,000 adults and teens with programs in 2021.
- ...by increasing use of material for school-aged readers by 5% each quarter.
- ...by increasing the use of education-specific collection materials by 10% in 2021.
- ...by establishing three new channels for connecting with families and educators.

**We will strengthen relationships with our users and partners**

- ...by ensuring 7,500 people have a library card at the end of 2021.
- ...by employing three new channels for communicating with patrons that don't require an internet connection.
- ...by increasing engagement across the library's social media content by 10%.
- ...by developing five new programs/services in partnership with other organizations by the end of 2021.

**We will prioritize the health of our community**

- ...by responding within 6 hours to any positive COVID-19 exposure at the library as directed by Lane County Public Health.
- ...by implementing the library's COVID-19 safety procedures 100% of the time as measured through weekly audits.
- ...by connecting 1,000 people to fact-based health information in 2021.
- ...by providing on-site access to an average of two social service providers or programs each week.
