SUBJECT	REVIEW BEFORE MEETING	DISCUSSION	ACTION ITEM(S)
Welcome Team			
In person survey results	Majority agreed that in person is not feasible but we'd like to stick with virtual offerings	<p>I love the idea of having small regional/city reference lunches with perhaps a topic to discuss and have some networking involved. I would be willing to commit to organizing that with topics and/or reservations at a central place and/or finding regional hosts.</p> <p>I think an afternoon virtual conference in the spring, then every other month through October is a good model. We can have a theme for the spring virtual conference so all of the talks are on one area. I'm happy to commit to time and effort for that.</p> <p>I think the virtual programs have been able to reach a wider audience but of course in person is so useful for networking with colleagues. Thank you.</p> <p>I'm planning an all virtual conference right now and can share our process although I</p>	<p>Lori will send out a template for a call for proposals. Everyone can add/edit and then we will send it out in January.</p> <p>Lori will send out a timeline plan from last year so we can all add/edit to create a timeline for this year.</p>

		think this group does a phenomenal job and marketing/recruiting and planning
