SUBJECT	Info and Docs	DISCUSSION	ACTION ITEM(S)
Welcome Team			
Call for new members?		Mark had recommended Maribel. Lori reached out but didn't hear back from her. We can do a call for membership as well.	Mark will nudge Maribel and Lori will follow up. Lori will send out a general call for new members via our regular channels (with support of whole group)
Fall program?		Jennifer might have an interested presenter. We also talked about the possibility of an AI discussion forum which Jen feels comfortable leading	We can communicate via email about a possible late October offering if this comes together and then solidify anything we need to at the Sept. mtg.
Next steps		Lori would like to roll out of the chair position if anyone is interested. Mostly entails putting our meetings together, general communication and supporting the steps to put on the presentations (maybe 2 hours per month of time tops)
