

Skills for the Real World

Learn practical skills to help a co-worker, friend or loved one who may be in some sort of suicidal crisis

Help!

Applied Suicide Intervention Skills Training (ASIST)

This two-day intensive, interactive workshop aims to provide skills to assist in suicide first aid intervention. This training is suitable for a vast array of people and organizations including mental-health professionals, schools, religious groups, military personnel, community volunteers, or anyone in a trust position.
