

Oregon State-Sponsored MS-ISAC Membership

The state of Oregon has already secured MS-ISAC® membership on your behalf, giving your organization access to powerful cybersecurity tools and dedicated support at no cost. Activate your membership today to begin taking full advantage of the benefits and resources available to you.

Activate Your MS-ISAC Membership Today

New to the MS-ISAC? Register at <https://learn.cisecurity.org/ms-isac-registration> to become a member.

Previous member of the MS-ISAC? Log in to the [CIS Portal](#) and follow the prompts to join.

For assistance with joining, contact info@cisecurity.org and our team will be glad to assist.

What Is the MS-ISAC?

The Multi-State Information Sharing and Analysis Center® (MS-ISAC®) is the nation's trusted cybersecurity resource for U.S. State, Local, Tribal, and Territorial (SLTT) government organizations. Backed by the U.S.-based 24x7x365 CIS Security Operations Center, the MS-ISAC provides threat intelligence, monitoring, and expert support to help public sector entities defend against ever-evolving cyber threats.

Through statewide sponsorship, your organization receives MS-ISAC membership at no cost, giving you access to powerful cybersecurity tools and services designed specifically for SLTT needs. An MS-ISAC membership gives your organization enterprise-grade cybersecurity capabilities, ensuring every local organization can benefit from shared defense, real-time insights, and expert guidance.

Benefits Provided with MS-ISAC Membership

An MS-ISAC membership delivers a comprehensive suite of cybersecurity support tailored for organizations like yours.
