

**WE'RE
HIRING!**

EUGENE

Urban and Community Forestry Crews

**Help create robust urban forests
that reduce air pollution and greenhouse
gas emissions and improve public health
and well-being.**

**Recruiting crew members ages 19-26
and crew leaders age 21+**

Crews will be comprised of five members and one crew leader, who will average 35 hours per week on urban forestry projects and spend up to 10 hours per week in education and training. Participants will receive a stipend, industry recognized credentials, develop 21st Century work skills, and receive post program assistance connecting with green careers in their region.

- Crew Leader Training 2/5/2024 to 2/17/2024
Crew Program Dates: 2/19/2024 to 5/10/2024
- Crew Leaders earn \$150/day
Crew members receive \$7,200 plus a 1,824
AmeriCorps Education Award
