

# 2024 TAX PREPARATION SERVICES & TAX CREDITS

**AARP will again be offering FREE tax preparation services for individuals and families.**

Please see the attached flyer for a listing of sites and information on scheduling an appointment. Please note that the Goodwill site on Seneca in Eugene is now a VITA site, which means they will prepare taxes for families with annual gross income under 64K.

**The Consumer Financial Protection Bureau offers some [great tools](#) for planning, outreach, and working with taxpayers.**

Please visit their website to find [tools to help taxpayers file and save](#), along with [flyers with FREE filing options](#).

Also take a look at videos you may wish to share:

- [A 2-minute video for service providers](#) on free filing options and how to get the word out
- **Tax Time Minute videos for consumers** for sharing free filing information directly with consumers: [Tax Time Minute on Tax Prep in Your Community](#) and [Tax Time Minute on Online Tax Prep](#)
- A web-based [Guide to Filing your Taxes in 2024](#) that will be a helpful page to share with consumers you serve. This is available in multiple languages.

**The IRS offers tools related to [Earned Income Tax Credit](#) to help increase the number of individuals and families who access it.**

Families can [see if they qualify](#) and even learn how much they might qualify for using their [EITC Assistant](#). At [EITC Central](#), there are tools for service providers as well. File a return with an [IRS Free File product](#). If families want to see if they should file, the IRS provides an [interactive Tax Assistant](#) to help.

**Every situation is different, but in many cases, folks with ZERO income can file and qualify for tax credits!!**

**United Way also offers Free Tax preparation options, including a program available for tax filers for 2023.**

- File a return via our "[File My Own Taxes](#)" option for filers who earn less than \$79k.
- File a [Simplified Return with GetCTC](#).

**The Oregon Department of Revenue has provided some great information to educate families on various tax benefits, including Oregon Kids Credit, Federal Earned Income Tax Credit, Oregon Earned Income Credit, and more.**

Please share the attached Oregon Kids Credit flyer widely!

Check out the [News Release](#) from the Oregon Department of Revenue

**Throughout tax season and the rest of the year, 211 will be updated with additional tax preparation resources in our area, including locations staffed by Oregon State University**

**Extension Office and Cash Oregon.**

Stay tuned! <https://www.211info.org/>
