

Become a bus operator for LTD!

Veterans! The path to a great, new career begins here!

Interested in a career in driving? Consider continuing your career of service by driving a bus for LTD. Start by enrolling in our paid training program and get your Commercial Driver's License!

No experience necessary

You don't need any experience other than driving a car for at least five years, and you must have a good driving record.

CDL

Unless you already have a Commercial Driver's License, you'll need to obtain your Commercial Learner's Permit (Class B) from the Oregon DMV before training begins. We can help you with the process.

Screenings

Applicants must pass a physical exam, a drug test and a criminal background check. Any physical disabilities must not limit the ability to drive.
