

Young Adult Individual Development Accounts

Available for Oregon residents ages 14-24

How to Get Involved:

The Young Adult IDA Program is available for young adults as a stepping stone to help accomplish financial goals.

Our YA IDA program provides clients with a chance to access a financial boost through a match savings account. The match-savings ratio is 5-1, has a maximum match amount of \$300, and has a time frame of 3-48 months to meet the maximum savings goal.

To summarize: If you can save \$300 into the IDA account in 3 months - 4 years, we match that amount with \$1500, for a total of \$1,800 that you get to use to meet your needs.

In order to qualify you need:

- To be an Oregon resident
- 14-24 years old
- Attend DevNW Youth Financial Foundations Class
- Make a coaching appointment with DevNW Youth Asset Building Specialist
 - Abby James (she/they) | abby.james@devnw.org | 541.799.4047

Please reach out for more information or for any questions - we are here to help!
