

OUR JOURNEY

An Intertribal Quarterly Cultural Collective

Our Journey's goal is to create a cross cultural space for both tribal and non-tribal peoples to learn, grow, share, and celebrate work that is being done inside Lane County, with an emphasis on health improvement for the Federally Recognized Tribes and our American Indian and Alaskan Native residents.

"Each of our journeys are interwoven with our ancestors, time, and numerous experiences that all impact the quality of our existences and the bodies of life that surround each of us. I welcome you and your loved ones to join me this coming June."

Hosted by Buffy Hurtado

Enrolled Member and Citizen of the Confederated Tribes of Warm Springs & PacificSource Tribal Liaison

Please join us for an afternoon of family activities, food, and resources!

This is a family-friendly event. We invite all Tribal Nations, their Tribal Representatives, and American Indian and Alaska Native residents to join us along with local community members to learn about the complex rich tapestry that we all know and love as Lane County!
