VETERAN CONNECTIONS

Homeless Veterans Reintegration Program

Goodwill's Veteran Connections' Homeless Veterans Reintegration Program (HVRP) now offers Lane County a new opportunity for hope and help.

Utilizing our longstanding history of success in providing job and career assistance, our HVRP services are for veterans who are unstably housed (homeless) or at risk of homelessness and seeking to become employment ready.

Our Veteran Specialists are knowledgeable about veteran services and offer qualified participants an individualized, participant-focused and guided step-by-step plan to achieving life-enriching work and career opportunities.

Our supportive and positive HVRP services will guide and assist veterans with gaining life-skills, overcoming barriers, and adjusting to changing dynamics through coaching, referrals to housing and a broad list of other networks of support in the Lane County community.

Veterans can be confident in receiving support to efficiently and professionally prepare them in obtaining meaningful and sustainable work and career outcomes, leading to greater stability in their life and community.
