

Early Childhood Social Emotional Health Community Conversation

AGENDA: Join PacificSource & Trillium Community Health Plan CCOs in a conversation to reflect on the work of the last year, and look forward to supporting the Social Emotional Health of children ages 0-5 years old covered by Medicaid/OHP in our community.

- Hear updates from the CCOs and learn about the work being done
- Learn about shifts in how this work will be measured in 2025
- Provide feedback on current strategies and direction

WHEN: Tuesday October 1, 8:30am – 12:00pm (light breakfast and snacks will be provided), doors open at 8:00

WHERE: 555 International Way, Springfield OR 97477, Aster Rooms

- Park and enter building on Trillium side (West side of the building) and proceed down the hallway to the Aster Rooms on the left

WHO: Primary care, behavioral health, childcare, early learning, and community services that support children 0-5 and their families – please forward and share with anyone you think might be interested
