PARENTS, CAREGIVERS AND YOUTH:

PLEASE JOIN OREGON FAMILY SUPPORT NETWORK AT OUR
VIRTUAL FAMILY
LISTENING SESSION AND HAVE YOUR VOICES BE HEARD!

Oregon Family Support Network:

We are families and youth working together to promote mental, behavioral and emotional wellness for other families and youth through education, support, and advocacy.

Purpose of our Family Listening Session:

This Family Listening Session is to spotlight what you feel are the most important issues affecting the mental, behavioral and emotional wellness for your families, and ideas about how to address these needs.

- What does a healthy family and/or community look like to you?
- How can current support be enhanced or improved?
- What additional supports are needed?
- What are the top three issues that you would like to see addressed first?
- What would you like me (us) to take back to Oregon Family Support Network as we strive to increase support for parents, caregivers and youth?

Each individual that Registers & Attends will be given a \$10.00 gift card to express our thanks for your time and valuable input.
