

2nd City-Wide Healthcare Forum

Appeal for financial and endorsement support

Have you had or do you know someone experiencing excessive delays in obtaining doctors' appointments, surgical procedures or even treatment at the emergency room? Access to healthcare didn't used to be this difficult.

At this Forum we are gathering community members, state and local elected officials and leaders to discuss the challenges ahead of us and to seek solutions for preserving the quality of our healthcare.

Hosting this Forum is the Eugene Healthcare Coalition, volunteer driven and comprised of several neighborhood associations, unions, healthcare advocates and community organizations. Refer to the attached promotion flyer for more information.

We are appealing to you for financial and endorsement support to give this Forum the resources needed to be successful. All donations will help cover the venue rental, advertising and other expenses related to this Forum. Your endorsement will also help promote this event.

Supporters will be recognized in the Forum's program. Donations are tax-deductible.

Please make checks payable to Eugene Neighborhood Inc.

Please write "Healthcare Forum" on the memo line.

Please send your checks to:

Eric Dziura
1917 Regina St
Eugene, OR 97402

Sincerely,
Jensina Hawkins EHC Co-Chair
