

HELPING STUDENTS THRIVE IN 2025

2025 Oregon Children & Youth Behavioral Health Summit

Friday, May 2, 2025

8:00 a.m. - 4:00 p.m.

Graduate Hotel, Eugene, OR

Pre-Conference Networking Dinner: Thursday, May 1, 5:30 - 7:30 p.m.

For educators, non-profits, service providers, and healthcare workers across Oregon who serve K-12 children & youth in our schools and communities.

Join us for a day of learning, networking, skill development, and connection, sharing tools and strategies to best support the health and well-being of Oregon's children and youth in 2025.

Summit Focus:

Learn about, discuss, and share practices to address some of the most pressing social-emotional and behavioral health issues impacting K-12 children and youth, from mental health interventions to responding to global and federal events.

Foster and facilitate networking among local and statewide leaders who support youth both inside and outside of schools.

Identify opportunities for collaboration and cross-sector coordination to help our children thrive in 2025.
