GamAware Coalition OF LANE COUNTY

**MISSION: TO RAISE AWARENESS AND REDUCE THE HARMS OF
GAMBLING & VIDEO GAMING ADDICTION IN OUR COMMUNITY**

WHO WE ARE

We are comprised of people with lived experience, affected others, treatment providers, and public health & non-profit professionals. Our efforts have a focus on public awareness, education and policy.

WHAT WE DO

- Increase community awareness that gambling & video gaming addiction are preventable and treatable public health problems
- Bring Take A Break Toolkits to community events to teach about the brain science of addiction and ways people can add small mental health supports into their lives
- Present to the public about potential gambling and video gaming harms while promoting protective factors
- Advocate for local and statewide policy changes
