## Conservation Rebates & Loans

Take advantage of SUB's energy-efficiency rebates and loans. You can save money on your monthly electric bill and increase your home's comfort!

### Washer and Dryer

#### **Why upgrade:**

ENERGY STAR® Washers use 20% less energy and 30% less water per load, and they spin out most of the water, so clothes spend less time in an energy-hungry dryer.

- ✓ ENERGY STAR certified Clothes Washer  
\$50 Rebate
- ✓ ENERGY STAR certified Electric Clothes Dryer  
\$100 Rebate

### Heat Pump Water Heater

#### **Why upgrade:**

HPWHs are up to 3x more efficient than standard electric water heaters.

- ✓ \$900 Rebate

### Residential Level 2 Electric Vehicle Charger Rebate

#### **Why upgrade:**

L2 chargers significantly decrease vehicle charging times.

- ✓ \$500 on-bill credit for newly purchased and installed residential Level 2 electric vehicle chargers.

### Advanced Smart Thermostat Rebate

#### **Why upgrade:**

These devices save an average of 10% on heating and 15% on cooling.

**Qualifying customers can order a Nest Thermostat** directly from <https://sub.gpfulfillment.com> for

- ✓ FREE instant rebate OR
- ✓ \$140 rebate for qualifying Advanced Smart Thermostat.

Additional requirement information can be found at <https://www.subutil.com/conservation/for-your-home/rebates-loans/>

(Loans are approved and financed through Pacific Cascade Federal Credit Union. Up to 48 months financing. Programs subject to change).

### Energy-efficient Windows

#### **Why upgrade:**

Efficient windows can lower energy bills by an average of 12%.

- ✓ 0% Loan up to \$5000
- \$6 per Sq Ft rebate .30 U-Value rating for window
- \$8 per Sq Ft rebate .22 U-Value rating for window

Rebate paid by Sq Ft of window measurement or capped at 50% of cost.

### Insulation

#### **Why upgrade:**

Proper insulation ensures the heat and air conditioning you pay for stays inside.

- ✓ 0% Loan up to \$6000
- \$1 per Sq Ft rebate for attic and floor insulation
- \$2 per Sq Ft rebate for wall insulation

Rebate paid per Sq Ft of insulated area or capped at 50% of cost. **100% Rebate for income qualified site-built homes.** Call SUB to see if you qualify.

### Ductless Heat Pump

#### **Why upgrade:**

DHPs are 2-3x more efficient than electric resistance furnaces, baseboard & ceiling heat, and wall heaters. Plus, they are easy to install and provide heating and air conditioning.

- ✓ \$800 rebate OR \$4,500 0% loan if converting from zonal electric heating
- ✓ \$900 rebate OR \$4,700 0% loan if converting from electric forced air furnace

### Ducted Heat Pump

#### **Why upgrade:**

Ducted Heat Pumps can deliver 3x the energy they consume.

- ✓ 0% Loan up to \$7,200 OR
- ✓ Up to \$1,400 rebate  
for customers with electric forced air furnaces upgrading to a qualifying heat pump

Additional \$250 rebate or \$1,300 loan for duct sealing. Studies show the average duct system loses 20% to 40% of its heating energy through leaks.
