

Specialized BIPOC Curriculum

Charlie Health is proud to offer BIPOC-affirming, culturally-competent clinical programming for BIPOC clients and families enrolled in our virtual treatment program. This treatment program includes curated groups, individual therapy, and family therapy led by therapists of color who understand the unique needs of BIPOC communities.

OUR PROGRAM OFFERS:

- Culturally-competent Care Coaches
- Free BIPOC family support groups
- BIPOC-affirming Alumni community
- Access to 24/7 crisis care
