

Personalized Trauma Treatment

Charlie Health is proud to offer specialized clinical programming for individuals with trauma, PTSD, and other high-acuity mental health issues. Our virtual treatment program provides a space to share your story, understand your needs, and connect with people who are dealing with similar struggles.

PERSONALIZED TREATMENT PROGRAMS INCLUDE:

- Curated groups for victims and survivors of sexual assault, domestic violence, and sex trafficking, including nonbinary survivors
- Trauma-informed clinicians and care coaches
- 20+ free family support groups
