

WINTER CITIZENSHIP CLASS

This winter we are happy to offer one class that will run from January 14th to March 18th

Gaining U.S. citizenship allows refugees and immigrants to achieve stability, safety and a permanent home in the United States. With citizenship they can participate fully in our democracy- by voting, serving on a jury or even running for office.

Our free citizenship class helps students build English skills and learn U.S. history and civics to prepare for the citizenship exam.

Format: Online via Zoom

Schedule: Every Wednesday at 6:00 PM

Starts on January 14th and finishes on March 18th

**REGISTRATION
IS REQUIRED**
