

Rent Well is a 15-hour tenant education program where, you will learn to:

- Identify potential screening barriers
- Understand the screening process
- Review your own background report
- Improve your credit
- Review and understand rental agreements
- Move-in and move-out in a way that maintains your rental record
- Understand the eviction process and how to avoid it

GET THE KEYS KEEP THE KEYS

Depending on where a Rent Well graduate completed the class, they may be eligible for a landlord incentive fund that is paired with the course. The fund allows landlords to recoup up to a certain amount for unpaid rent, damages, or legal fees beyond the security deposit if the graduate moves out in the first year of tenancy.
