RE: Notice of Proposed Permanent Rulemaking – OAR 333-015-0030 & 333-015-0064 "Implementing changes to the definition of 'enclosed area' under the Oregon Indoor Clean Air Act"

The Oregon Health Authority, Public Health Division, is proposing permanent amendments to chapter 333, division 15, pertaining to the Oregon Indoor Clean Air Act (ICAA). In this rulemaking, the Oregon Health Authority (Authority) is removing the language defining "enclosed area" from rule to ensure the rules are aligned with the newly revised Oregon Indoor Clean Air Act (ICAA) statute. The definition in rule will refer to the meaning given in ORS 433.835, ICAA statute. SB 235 (Oregon Laws 2017, chapter 732) was signed by the Governor in August 2017 and the definition of "enclosed area" was added to ICAA statute ORS 433.835.

You are being invited to review and comment on the proposed amended rules. **Written comments only are being accepted. Please file written comments before 5:00 p.m. on November 30, 2017** by submitting them to the Public Health Division Rules Coordinator at the following address:
