

New Oregon Mentoring Program Beginning Administrator Mentor Workshop

Professional learning offered by our Oregon Administrator Mentor Workgroup Leaders

These workshops are designed for:

- new Beginning Administrator Mentors
- experienced Beginning Administrator Mentors
- Professional Learning facilitators*

Content: Participants will receive professional learning to support the development and refinement of instructional mentoring skills, abilities and knowledge. These workshops have been developed with a “train-the-trainer” model in mind. ***Districts intending to replicate this workshop in their region are required to send two participants** (Professional Learning facilitators). Facilitators will also have the opportunity to learn facilitation skills.

This workshop will use the flipped classroom approach to maximize “in-person” time. Reading assignments will be provided to participants via email, and all readings will be required to be completed prior to attending the workshop. Time will be provided to review notes from the readings, but the majority of time will be used for discussion, collaboration and practice of instructional mentoring skills and strategies.
