

Attorney General's Sexual Assault Task Force

SEXUAL ASSAULT LAW ENFORCEMENT TRAINING PROJECT

Who should attend: Local, county, state and tribal law enforcement working in western Oregon

Description: The *Sexual Assault Law Enforcement Training Project* aims to increase Law Enforcement capacity to effectively respond to and investigate sexual assault crimes by providing sexual assault specific training.

This 2-day training will equip participants to implement new and emerging techniques and best practices in sexual assault investigation. Following the training, participants will have access to technical assistance and the opportunity to attend a 1-day conference in 2017 to continue skill development, identify best practices in collaboration and share promising practices.
