

# Join Partners for a Hunger-Free Oregon for a SNAP COMMUNITY TOWN HALL

---

As of March 2023, SNAP users no longer receive emergency food benefits known as SNAP Emergency Allotments. This change affects over 416,000 Oregon families who depend on the program.

**You're invited to a community discussion about SNAP access in Oregon, how it impacts us, and potential collective action. We want to hear from you!** We will discuss how the end of SNAP Emergency Allotments will impact our community and our families, and explore collective action to expand food access in the state.

## We want to hear from you!

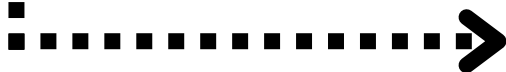

---

**Tuesday, April 11, 6-8pm**

This is an online event.

Free and open to the public.

ASL interpretation available upon request.
