Able Bodied Adults Without Dependents (ABAWD)

The COVID-19 Public Health Emergency (PHE) suspended work requirements in Oregon for individuals with an Able-Bodied Adult Without Dependents (ABAWD) status since March 2020.

An ABAWD status applied to individuals aged 18 through 49 with no minor children in their SNAP filing group. Due to the PHE unwinding, work requirements have resumed since July 1, 2023. Each month an individual who receives SNAP benefits, they will accrue a countable month if they don't live in a waived

county, meet an exemption (allowed reason to not complete the work requirements) or is doing the 80 work hours. After three countable months, their benefits are closed.

In June 2023, the Financial Responsibility Act (FRA) made changes to the ABAWD rules. The changes require state agencies to progressively increase the age range for individuals with an ABAWD status to include:

- 50-year-olds as of Sept. 1, 2023,
- 51–52-year-olds as of Oct. 1, 2023, and
- 53–54-year-olds as of Oct. 1, 2024

The FRA also added three new groups with an ABAWD status who are **exempt** from having to meet the work requirements by Sept. 1, 2023:

- Veterans
- Houseless
- Former Foster Youth (under age 25)

Individuals with questions about their ABAWD status, including exploring possible exemptions, should contact ODHS at 1-833-947-1694, Monday through Friday from 8 a.m. to 5 p.m. or by email at SNAP.ABAWDTeam@odhsoha.oregon.gov.
