Lidar demo by Brady Callahan at Parks on how Parks is using Lidar

Water Right Web application by Dorothy Mortenson at Water Resources

Metadata standard – GEO, DLCD and DOGAMI (notes are not clear on this topic)

Data management procedures – No work done yet

Pilot project with ESRI / State Data Center – close to being done

Cloud Storage – This is a multi-state RFP, about a month to having agreement with five finalists

Standard Development procedures – This will be presented to OGIC at their March meeting

Subcommittee Reports:

Data.oregon.gov (Bob H., Chris B., Don P., Erik E.) – issue is heating up, Cy need to find time to get it going

Web-base geospatial projects (Randy D., Erik E., Tanya H., Diana W.) – Erik has sent out a proto type for committee to look at.

The after GPL meeting on ArcGIS Online for Organizations (AGO-Orgs) was well attended and there was quite a bit of discussion.
