State Recovery Functions: This week at-a-glance

Highlights

- The State, FEMA and USDA continue to collaborate with additional feeding partners to maintain operations and assist with the execution of the transition feeding plan
- EPA Household Hazardous Waste near completion – over 2250 properties cleared
- Direct Housing Mission active – Families began being placed in homes on November 29 in Jackson County
- ETART finished assessments – Overview briefings on line at ODF Youtube Channel

Needs

- Communication strategy, process and protocol to assess local housing needs with FEMA and local governments
- Translation services
- More staff to support recovery missions

Challenges

- Implementing data sharing agreements to support disaster case management and housing
- Gaps in communication, data management and consistency between Local, State, Tribal and Federal agencies

SRF 1: Community Planning and Capacity Building

Land Conservation & Development

Lead: Matt Crall

PIO: Kirstin Greene

At-a-glance:

Priorities

- | | |
|---|---|
| 1 | Help local governments plan for transitional and permanent housing |
| 2 | Help local governments plan for strategic rebuilding to create a more healthy, equitable, resilient and prosperous future |

Weekly Objective	Status / Actions	Agencies Involved	Needs
Project Turnkey: Help evaluate sites considering current zoning, potential zoning and plan amendments, and permanent uses	Ongoing	DLCD	Supplemental staff
Local Capacity: Regional reps gathering information about city and county planning departments on capacity and gaps	Ongoing	DLCD	
Substantial Damage: Help cities and counties identify substantially damaged structures within the flood hazard area, regulations that will apply to those structures, and outreach to residents	Ongoing	DLCD	Supplemental staff
Silver Jackets: Determine community needs for data to assess post-fire risk of flood, mud/debris flow, and erosion and gather data	Ongoing	COE, DLCD	Supplemental staff
Develop recovery planning projects eligible for funding from the Transportation and Growth Management Program	Ongoing	DLCD, ODOT	

SRF 2: Economic Recovery

Business Oregon

Lead: Jason Bricker

PIO: Nathan Buhler

At-a-glance:

Priorities

- 1 Business Oregon administering 5th round of business grants totaling \$20 million: Application thresholds met and process closed. Applications will be under review, pending award notifications.
- 2 Coordinate meeting with SRF partner agencies

Weekly Objective	Status/Actions	Agencies Involved	Actions	Needs
Use RDOs to reduce/minimize duplicative messaging	Ongoing	Business Oregon	Contact City/County representatives	Counties to contact with needs
Collect quarterly economic impact data from Dept. Employment	Pending	Business Oregon OED	Collect information regarding quarterly employment trends by industry compared with FY 2019	Identify impacts to business sectors to determine where resources may be needed most

Looking ahead:

- 1 Consult with Business Oregon staff to define “impacts” we can evaluate
- 2 Communicate with partner SRFs to obtain information collected from other agencies

SRF 3: Health Services

Oregon Health Authority – Public Health

Lead: Candy Cates (OHA)

PIO: Jonathon Modie

At-a-glance:

Priorities

- 1 Identify any wildfire recovery activities in OHA not being tracked
- 2 Support behavioral health needs
- 3 Connect the Wildfire Impacted Domestic Well Testing Project into OEM SRF structure, particularly SRF 6 and 7

Weekly Objective	Actions/Status	Agencies
Wildfire Impacted Domestic Well Testing Project consult with technical experts in Drinking Water Services and Oregon Environmental Laboratory Association (OELA) to develop scope of work with labs.	Ongoing	OHA PHD
Develop program application and prioritization process.	Ongoing	OHA PHD
Develop a domestic well assessment and guidance for property owners in fire-impacted areas.	Ongoing	OHA HSD
Ensure providers are implementing OR4562 ISP grant activities. Weekly meeting with provider. Regular meeting with FEMA.	In progress	OHA HSD
Update OR 4562 RSP grant following FEMA/SAMSHA review. Updated grant will be submitted by 12/6/2020.	In progress	OHA PHD
Alternate CCP service providers for Jackson, Coos and Marion counties identified and request submitted to FEMA. FEMA requested updated fiscal sheet from Lines for Life.	In progress	OHA
Coordinate Safe+Strong campaign activities with Brink Communication for Wildfire	Ongoing	OHA
Sam Dickson consulting with Julie Sifuentes, EH program administrator, regarding BH support for wildfires from 2018/1029 CDC grant	Ongoing	OHA
Coordination with CRRU for staffing support activities as needed for Wildfire provider staffing shortages. Coordinating resources and guidelines for providers.	Ongoing	OHA

SRF 4: Social Services

Department of Human Services

Lead: Ed Flick (DHS)

PIO: Sherryll Hoar

At-a-glance:

- MASTT continues in Jackson, Lane, Marion Counties
- Hot Meal Waiver approved and communicated
- Holiday meals distributed to all sheltered survivors
- Sheltering transition initiated contracting options
- Completion of DCM grant draft

Priorities

1 MASTT continuation

2 Sheltering transition plan

Weekly Objective	Status/Actions	Agencies Involved	Needs
Refine shelter strategy, Alternate non congregate sheltering (NCS) options	In progress	ODHS, Red Cross, counties, FEMA, OHCS	Data on housing projects
Multi-Agency Transition Teams (MASTT)	In progress	FEMA, VALs, Red Cross, OHCS, counties, ODHS programs, Community Based Organizations	Red Cross and FEMA data
Complete Disaster Case Management grant application	In progress	ODHS programs, counties, community-based organizations	VALS data / Resources

Looking ahead:

1 State sheltering transition from American Red Cross execution

2 Close integration with long-term recovery groups

SRF 5: Housing (and Disaster Housing Task Force)

Housing and Community Services

Lead: Kim Travis (OHCS)

PIO: Kate Gonsalves

At-a-glance:

Priorities

- 1 Strengthen coordination with ODHS, MASTT, landlords, nonprofits and community action agencies to secure interim and permanent housing.
- 2 Engage with Wildfire Economic Recovery Council and Regional Wildfire Economic Teams
- 3 Foster interagency partnerships for long-term recovery planning and implementation
- 4 Work with OEM/ODHS/FEMA to obtain available data on unmet housing needs and to develop tracking/reporting systems

Weekly Objective	Actions/Status	Agencies	Needs
Attend Regional/County meetings to compile interim housing plans	Ongoing	OHCS	
Work with OHCS staff on strategies for available resources	Ongoing	OHCS/ODHS/OEM/FEMA	
Assess existing membership and potential expansion	Ongoing	OHCS/ DHTF	Coordination challenges with TF members and SME's; and identifying County participants

Looking ahead:

- 1 Review HUD Housing Impact Assessment proposal
- 2 Draft scope of work for national wildfire recovery consultant

SRF 6: Infrastructure

DAS, ODOE, ODOT, PUC

Lead: Lisa Gorsuch

PIO:

At-a-glance:

Priorities

- | | |
|---|--|
| 1 | ODOT continues road restoration and tree removal throughout the state |
| 2 | DAS/PUC – immediate communication recovery efforts in Marion and Lane County |

Objective	Actions/Status	Agencies
Hazardous tree removal and road repair in multiple fire- impacted areas.	Ongoing	Oregon Department of Transportation (ODOT)
Restoration of critical infrastructure in multiple fire impacted areas of both communications service and electric service.	Ongoing	OPUC and ODAS - Enterprise Information Services
Holding weekly coordination calls with critical infrastructure providers.	Ongoing	ODOT, DAS and OPUC
Oregon Public Utility Commission is overseeing CenturyLink's restoration efforts in multiple fire impacted areas in Oregon. Regular updates of CenturyLink's restoration efforts are required before the Commission with deadlines for restoration or the requirement to provide alternative service in the interim.	Regular updates of CenturyLink's restoration efforts are required before the Commission with deadlines for restoration or the requirement to provide alternative service in the interim; ongoing	OPUC and ODAS - Enterprise Information Services
Continue to work on near-term recovery efforts while planning the mid- and long-term recovery.	Ongoing	ODOT, OPUC, DOE, ODAS

Debris Management Task Force

DEQ/ODOT/OEM

Lead: Brian Boling (DEQ)

PIO: Lauren Wirtis

At-a-glance:

- Tree removal contracts signed
- Debris removal contracts being awarded and signed
- Monitoring firm assessments begin in southern Oregon

Priorities

- | | |
|---|--------------------------------|
| 1 | EPA to complete Step 1 cleanup |
| 2 | Finalize contracts |
| 3 | Begin cleanup work |

Weekly Objectives	Actions/Status	Agencies	Needs
EPA finishing remaining property cleanup	Ongoing	EPA/DEQ	None
Monitoring firm conducting assessments in 4 fire corridors	Ongoing	CDR	None

Looking ahead:

- | | |
|---|--|
| 1 | Began assessment of trees in burned areas in Southern Oregon |
|---|--|

SRF 7: Natural and Cultural Resources/Task Force (NCRRTF)

ODF, OWEB, DEQ

Co-Leads: Kyle Abraham (ODF)
Renee Davis (OWEB)
Keith Andersen (DEQ)

PIO: Jo Niehaus

At-a-glance:

Priorities

- 1 Continue assessment coordination/synthesis sub-group of the task force, compile available assessment information.
- 2 Establish communications with other SRFs as necessary.
- 3 Launch Tribal Work Group under the NCRRTF.
- 4 Align priorities and leverage funding sources in coordination with agency executives.

Weekly Objectives	Actions/Status	Agencies	Needs
Identify/address natural resource impacts.	Individual action underway at all agencies; Ongoing	All agencies	Completed assessments, then prioritization and funding direction
Identify cultural resource impacts /considerations, including through engagement with federally recognized tribes.	Ongoing	SHPO, LCIS, tribes, all agencies	
Stand up webpage for serving out and amplifying natural and cultural resources related information.	Ongoing	ODF, OWEB, DEQ, other agencies	Live webpage for serving out and amplifying natural and cultural resources related information.
Convene assessment coordination/synthesis sub-group and public information sub-groups.	Ongoing	All agencies	

Looking ahead:

- 1 Develop material for legislative interim committee hearings on fire impacts and watershed considerations.
- 2 Coordination with OEM communications and the Recovery Information Center to develop task force webpage and communication plan.

FEMA

FEMA

SCO: Dolph Diemont

PIO: Ken Higgenbotham
