

OREGON DEPARTMENT OF **EMERGENCY MANAGEMENT**

Oregon State Emergency Coordination Center Incident Action Plan # 01

**Wildfire and Wind Event
2022 Statewide Fires (OERS #2022-1997)**

September 9, 2022, at 0800 through September 10, 2022, at 0759

ICS-202 ECC OBJECTIVES

1. Incident Name and OERS

Wildfire and Wind Event
2022 Statewide Fires (OERS #2022-1997)

2. Operational Period

Date From: 9/9/2022

Date To: 9/10/2022

Time From: 800

Time To: 0759

3. Strategic Goal

1. Maintain situational awareness and sustain effective state emergency management operations.
2. Support life-safety and life-sustaining response efforts conducted by local, tribal and statewide partners.
3. Support local, tribal and state partner requests for assistance.
4. Coordinate public messaging and support local public information and warning operations.

4. Operational Objectives

1. Establish and maintain statewide situational awareness through data collection, analysis, and dissemination of information and GIS products.
2. Proactively communicate and coordinate with local, tribal and statewide partners to address resource and capability gaps.
3. Identify resources available to fulfill potential resource requests.
4. Provide technical assistance and subject matter expertise to empower local and tribal jurisdictions to respond to needs in their communities and recover from disaster impacts.
5. Coordinate timely, accurate, accessible and unified messaging to the public.

6. General Situational Awareness

Current Hazard Information

7. Situation Summary

Thirty-two fires currently are burning in Oregon, with an estimated total of 188,105 acres burned. The National Weather Service issued a Red Flag Warning for wind and low relative humidity from 11 a.m. Friday to 11 p.m. PDT Saturday.

Affected areas in Oregon: Fire Weather Zone 602 North Oregon Coast Range, Fire Weather Zone 603 East Slopes of the Central Oregon Coast Range and Fire Weather Zone 604 Willamette Valley.

Winds: Northeast 10 to 20 mph with gusts up to 30 mph. East wind of 15 to 25 mph with gusts to 40 mph can be expected near the west end of the Columbia River Gorge and Oregon Coast Range ridges. Relative humidity may be as low as 15%.

Impacts: Conditions may be favorable for rapid fire spread that may threaten life and property. A combination of the above conditions can contribute to extreme fire behavior.

Due to the forecasted weather, Portland General Electric, Pacific Power, Consumer Power Inc., Lane Electric, and Eugene Water and Electric Board are anticipating executing public safety power shutoffs (PSPS) for approximately 45,000 customers (electrical meters) within Benton, Clackamas, Douglas, Hood River, Lane, Lincoln, Linn, Marion, Polk, Multnomah, Tillamook, Washington and Yamhill Counties. PSPS are anticipated to be initiated beginning early September 9 and continue through the evening of September 10.

Declarations:

- On Aug. 27, Governor Brown invoked the Emergency Conflagration Act for the Rum Creek Fire (EO 22-16).
- On Aug. 28, Governor Brown proclaimed a State of Emergency due to Imminent Wildfire Threat Statewide (EO 22-17).

- On Sept. 3, Governor Brown invoked the Emergency Conflagration Act for the Double Creek Fire (EO 22-18).
- On Sept. 6, Governor Brown invoked the Emergency Conflagration Act for the Sturgill Fire (EO 22-19).
