

# MOVING BEYOND *the* PREGNANCY OPTIONS DIALOGUE

*a skill & knowledge building workshop*

PORTLAND, OREGON • FEBRUARY 10, 2012

Whether you've attended a Pregnancy Options Dialogue training event in the past or not — here's your chance to move beyond the initial conversation and gain the skills you need to put this vital information to use!

## Join Us!

For an innovative skill building workshop:

Attending **Moving Beyond the Pregnancy Options Dialogue** will allow you to gain new counseling skills, access current information and increase your ability to confidently provide thorough options counseling in your health clinic, classroom or counseling office.

- **Deconstruct Case-Scenarios**
- Learn how to go beyond conversation stoppers
- Create a skeletal framework for options counseling
- Build a pregnancy options toolkit with new counseling techniques and current information about each pregnancy option.

In-Depth Break-Out Sessions On:  
**ABORTION • ADOPTION • PARENTING**

Have your questions answered by experts in each field as you practice new techniques and build skills relevant to your organization.

Don't miss out, register today at:
