MAKING CONNECTIONS: Promoting Mental Wellness & Reducing Adverse Childhood Experiences

**November 4-6, 2014
Valley River Inn, Eugene, Oregon**

This conference will provide participants with the latest cutting-edge research, prevention and health promotion methods and best intervention practices regarding Adverse Childhood Experiences (ACEs) and mental health promotion.

Goals for the conference include:

- Increase understanding about mental wellness and mental health promotion
- Learn about Adverse Childhood Experiences (ACEs): the current research, impacts on adult health, and effective strategies to reduce ACEs
- Reflect on our work
 - Apply the science behind what we know is effective
 - Develop new strategies
 - Enhance current approaches
