9/4	Problem	Happy 27th anniversary to the ADA (Americans with Disabilities Act), and kudos specifically to Pendleton and Umatilla County who have been working hard to increase physical activity for everyone, including people with disabilities. @disabilities.rig hts.oregon		
9/6	Problem	#DYK: Schools where most of the students engage in physical activity every week show bigger gains in test scores than other schools.	https://www.peforallkids.org/social-media-toolkit?lightbox=dataitem-ixm683k3	
9/8	Problem	There is a growing body of research showing how damaging isolation and loneliness can be, especially for older adults. But did you know these factors also affect caregivers?	https://www.facebook.com/OregonHealthAuthority/posts/1445548018815284	
9/11	Problem	"Fast food did not just find its way to low-income neighborhoods. It was brought there by the federal government."	https://newrepublic.com/article/144168/fast-food-chains-supersized-inequality	
9/13	Problem	"Don't the kids in East Multnomah	https://www.facebook.com/ImpactNWsince1966/posts/1323562077741998	

		County deserve the same opportunity and choice as those who live by Mt. Tabor?" - Arlene Kimura		
9/16	Problem	In or near Bend? Tomorrow get to know your neighbors and the streets in a different way. Details in the link below.	http://bendopenstreets.org/about/	
9/18	Problem	Catch it while you can! One Portland Sunday Parkway left this Sunday. Details in the link below.	https://www.facebook.com/pg/PortlandSundayParkways/events/	
9/20	Problem	"Hunger is a symptom of poverty, not the cause of the problem. No one woke up hungry on any given day without something else having gone wrong first." - Julia Tedesco	http://www.opb.org/news/article/npr-beyond-pantries-this-food-bank-invests-in-the-local-community/	
9/22	Problem	"The environment we build to function in, the way we construct our streets, our sidewalks, the width of our sidewalk crossings, can really encourage or discourage active transportation." - Jessie DuBose	http://www.heraldandnews.com/news/local_news/a-pathway-to-safer-biking/article_c3751eee-3b96-5084-b5be-e88dd409664c.html	

<p>9/25</p>	<p>Problem</p>	<p>#DYK: 65% of kids don't get the recommended amount of physical activity they need. Find out how you can help at PEforAllKids.org @PEForAllKids Coalition #placemattersOR</p>		
<p>9/27</p>	<p>Problem</p>	<p>#DYK: 1/5 U.S. adults have some type of disability. The way we build our cities and how we provide access to the places where people live, work, learn and play can be an opportunity for people with disabilities rather than a barrier. #placemattersOR</p>		
<p>9/28</p>	<p>Seasonal (National Good Neighbor Day)</p>	<p>Happy National Good Neighbor Day to our friends to the north and south! When we build better places, we build better lives.</p>
