Community of Practice Meetings

Two Part Series: What's in a Name?

February 22, 11:00 AM - 12:00 PM

March 8, 2:00 - 3:00 PM

Denver
PREVENTION
TRAINING CENTER

These Community of Practice (CoP) sessions will provide participants with a basic description of the process of legal name change and gender markers on state and federal identity documents. Additionally, sessions will identify and explain the obstacles that prevent many from accessing legal transition and the benefits it provides. Finally, they will address the effects that legal transition has on HIV risk and patient willingness to seek care.

By the end of these sessions you will be able to:

- Define the legal transition process
- Describe how legal transition intersects with accessing HIV prevention and care services
- Describe how legal transition intersects with medical transitions
- Describe the barriers preventing individuals from obtaining identity-congruent legal identification
- List CBOs with action steps to improve their ability to offer status-neutral, gender-affirming HIV prevention and care services
