

Oregon Walk + Bike: How-To to Sustainable Programs

Date: Wednesday August 19

9am- 1pm (includes lunch)

Portland Hilton

Come and join others from throughout Oregon to learn, share and expand your knowledge of what a safe routes to school program is from state leaders and local program coordinators from rural, urban and suburban communities. This workshop is geared to both new and seasoned coordinators and other interested people who want to better deliver education and encouragement programs and other activities to get more children to walk and bike to school and throughout the community.

Here is the agenda for the day!

- 5 E's overview
- Action Plan
- Sustainability
- Grant Writing
- Curriculum
- Oregon Examples

This pre-conference workshop is free! People who both can and cannot attend the National Safe Routes to School Conference are invited.

Please go to www.saferoutesconference.org to register for this free workshop and/or register for part or all of the National Safe Routes to School Conference. Please feel free to email Lynne Mutrie (lynne@bta4bikes.org) for more information.
