

You can find several series of books on the Easy Readers Shelves. These books are marked by either level 1 or pre-reader. *Word Bird* uses a word by word format. Other series will use simple sentences focusing on sounds and patterns needed for reading.

On the first page, the letters: M - a - t. Your child says the sounds: mmmmm, aaa, ttt. Then, faster: "Mat." Your youngster has read his first word! "Sam", "sat" and "on" complete the vocabulary, and suddenly your child can say, "I read the whole book!"® That is the magic of Bob Books®. Bob Books® were specifically designed to facilitate that ah-ha moment, when letters first turn into words. By slowly introducing new letter sounds, using consistency and repetition, and stories that fit short attention spans, your child will quickly find his or her own ah-ha moment.

Many board books will utilize a word by word format due to the limited space for text. Other titles by Michael Dahl include: *Duck Goes Potty*, *Hippo Says*, "Excuse Me," *Mouse Say*, "Sorry," *Nap Time for Kitty*, *Penguin Says*, "Please," *Pig Takes a Bath*, *Play Time for Puppy*, *Pony Brushes His Teeth*, *Snack Time for Cow*, and *Story Time for Lamb*.
