

Dear Performer,
Connecting with libraries, schools or other community groups to book your performances has just become easier. The Oregon Library Association's Children's Services Division and Salem Public Library are hosting:

2016 Performer Showcase - Saturday, September 24, 2016

When: 9 a.m. (doors open at 8:30) to 4:30 or 5 p.m (depends on # of performers)

Where: Salem Public Library's Loucks Auditorium

The Showcase allows those who book performers from all over Oregon and Southwest Washington, to see a five-minute preview from between 70 and 90 magicians, musicians, storytellers, jugglers, and others who specialize in entertaining and educating children and families (that is - you!).

Here is how you can be part of this amazing event that only takes place the last Saturday in September during even-numbered years.

Please follow the links below to complete two online surveys:

1. **2016 Performer Showcase Invitation** survey:

Your responses will be used to prepare the Performer Showcase schedule and Index of Performers that attendees receive. In September, I will send you your 5 minute time slot and provide additional information about the day. (Many of you already know just how awesome this is!)

2. **2016 Oregon Performer Directory** survey:

This one is a little longer, but still easy to complete. From information you provide, I create the downloadable 2016 Oregon Performer Directory. It will be available on the Oregon Library Association Children's Services Div. website beginning October 2016. Showcase attendees will have access to the information September 24, 2016.

Thank you for helping to make this happen. If you are no longer performing in Oregon, please let me know and I will take you off our list. If you know other performers who may be interested, please help me get the word out and send them this information. I look forward to receiving your information and working with you in September!
