

LIBRARY FUTURES 2011

Staying Ahead of the Curve

Please join us for this invaluable webinar –

February 4, 2011

Free Content for Library Collections

In this introduction to the wealth of free resources available on the internet, Michael Galloway and John Mark Ockerbloom will discuss evaluating and integrating free content to expand and improve information services libraries provide their patrons.

AND COMING SOON

April 8, 2011 • Cataloging: New Perspectives
