

Rights, Responsibilities and Reactions: Intellectual Freedom News, June 2017

Censorship

[“Parthenon” made of books built at site of Nazi book burning](#) *The Local (DE)*

First Amendment

[Supreme Court allows Slants to trademark their name](#) *Los Angeles Times*

Another opinion - Derogatory trademarks aren't about free speech. They're about discrimination.
Washington Post

[House Passes Bill That Could Have Teens Facing 15 Years for Trying to Sext](#) *Forbes*

[The former head of a Ukrainian library in Moscow has been found guilty of extremism and embezzlement, in a case she says is politically motivated](#) *BBC*

Privacy

[Home Depot Data Leak Exposes Gap in Consumer Privacy Protection](#) *Consumer Reports*

[Apple's Big Security Upgrades Will Save You From Yourself](#) *Wired*

[Federal agency doesn't need warrant to subpoena prescription drug information](#) *Oregonian*

Diversity

[Standing up for our Communities: Best practices and resources for libraries serving LGBTQ Youth](#) *American Libraries*
