Have a great workshop idea? Want to teach for MCLS?

One of MCLS's missions is to provide library employees with knowledge about current technology and trends affecting the world of libraries. In keeping with this mission, MCLS is always looking to expand the catalog of training opportunities that we provide for our members.

Do you have a great idea that you would like to see become a workshop? Email Jan at training@mcls.org and she'll send you a link for the MCLS New Workshop Proposal form.

Would you like to teach for us? Whether it be teaching one of our current workshops and/or developing new programs, we would love to hear from you. Email Jan at training@mcls.org and she'll send you a link for the MCLS Instructor Application.

MCLS Training Calendar July–December 2017

Group Viewing Rate

Pricing, as listed in our workshop descriptions, is per person. If you are interested in having multiple staff members from your institution attend an online workshop at a single location (e.g. a conference room), we offer a group viewing rate, which you can choose when registering through the MCLS Store. This rate will give you a single login that you will be able to use on one computer station. Once you are logged in, as many staff as you'd like can participate by viewing that screen. Feel free to project the screen so a whole room can view! Restrictions apply. For more information, go to: mcls.org/training-events/pricing-policies/

Cataloging Certification Program

The MCLS Cataloging Certification Program provides you with an opportunity to improve your knowledge and skills, to learn new technologies, and to demonstrate your overall competence in the library field. Under this Certification Program, you can work toward earning Certificates of Library Staff Development in Basic Cataloging and Advanced Cataloging. Each Certificate you achieve will demonstrate that you have attended MCLS workshops to expand your current skill set and that you have developed a comprehensive knowledge of the subject. The MCLS Certificates of Library Staff Development are important credentials to assist you in promotions or job changes in the library field. Enhance your resume today with an MCLS Certificate of Library Staff Development!

For more information on our certification program, go to: mcls.org/catcertification
