

REFORMA OREGON

Is providing equitable library services important to you?

Join the REFORMA OREGON family! If your library serves Latine and Spanish-speaking communities, you belong here! Advocates and supporters who are not Latine or do not speak Spanish are welcome and encouraged to join as this division is focused on library services. This is a great way to support your Latine colleagues and community members.

Please share information with anyone you know who might be interested in this networking opportunity with the newest division of OLA.

REFORMA Oregon is the state branch of the National REFORMA Organization. REFORMA Oregon is a professional organization for librarians and library staff who serve the Spanish-speaking and Latino communities.
