FY25 - Grant Reviewer

CONFLICT OF INTEREST STATEMENT

A conflict of interest is any real or apparent interest in the outcome of a grant application. No reviewer who is associated with an applicant or who stands to benefit financially, professionally, or personally from an application will serve on the review panel for the grant program in which the application is submitted for that grant cycle. Any reviewer who is associated with a potential applicant in the respective category or who has a potential conflict of interest must inform the TSLAC Grant Administrator. A reviewer may choose to recuse himself/herself from reviewing any application.

I certify that I have read and understand the above statement.
