

## September 23, 2016, National Day of Remembrance

Mark your Calendar to attend our National Day of Remembrance on Friday, at Mountain View Cemetery at 500 Hilda St., Oregon City, Oregon, 97045 at 1:00 p.m. Mt. View is the home for our beautiful POMC Memorial Wall. This is the day we celebrate and honor our loved ones so people understand how much our loved ones will always be missed and loved. It is a National Day set aside so the United States remembers the tragic loss our country suffers from murder in the United States.

We will include a speaker, music, and the names of our loved ones will be read out loud. This year we will also honor police officers in Oregon and Washington who lost their lives in line of duty. After the ceremony, we will have a barbeque and desserts for those attending. It is a wonderful time for us to visit and share with other co-victims and friends. Everyone is invited.
