

Technology Facilitated Crimes Against Children

NO FEE Training and Technical Assistance Training

About the Training

Review technology used for the sexual exploitation of children, how offenders utilize various technology, and the challenges that new technology creates. Discuss the effects of sexual abuse on victims.

What will you gain?

Upon completion of the training, you will be able to:

- Recognize how technology is used by offenders and its appeal;
- Recall the important technologies and concepts that make them work;
- Identify emerging technologies

Is this training right for you?

This course is open to law enforcement, prosecution, Child Advocacy Center personnel, and members of any other child-serving organizations.

Registration Fee

There is **NO FEE** to attend this training; however, pre-registration is required. Tuition, materials, and instructional costs are provided by the **Missing and Exploited Children Training and Technical Assistance Program (MEC TTA)**.

Training Schedule

This 1 day training is scheduled 8:30 am to 4:30 pm, with a one-hour lunch break on your own.
