**PURPOSE:**

The legalization of recreational marijuana in Oregon and Colorado has impacted pediatric health. This conference will educate participants on the types, potency, and pharmacology of marijuana as well as epidemiology of young ingestions. Medical uses and short and long term effects of marijuana on adults, adolescents and children will be explored along with the investigative challenges faced by child welfare and legal professionals.

**GLOBAL OBJECTIVES:**

It is the desire of Continuing Medical Education of Southern Oregon to insure balance, independence, objectivity and scientific rigor in all educational activities, and we are held responsible to assure all CME activities meet compliance with the ACCME Standards for Commercial Support.

All topics are chosen through evaluation and needs assessment surveys directed by active staff vote with goals to enhance all facets of patient care outcomes. The presentations are aimed to satisfy the education needs of the broadest possible audience with primary care objectives.

**ACCREDITATION:**
