

# VOLUNTEERS NEEDED

**You can make a difference in the life of a child!**

[Camp HOPE America – Oregon](#) is a summer camp and yearlong mentorship program for kids who have experienced family violence. We couldn't bring kids to Camp HOPE Oregon without the dedication and support of all of our volunteers.

A Safe Place Family Justice Center is looking for dedicated volunteers to help as Camp HOPE Support Staff. Support Staff are adults who join us at Camp HOPE to create a memorable experience for campers by being positive role models, celebrating campers' achievements, and assisting with preparations for daily activities. Bi-lingual (Spanish) volunteers encouraged to apply!

Kids who've experienced family violence need to see that their whole community is with them. We're on their side. We believe in their future, and they can too!
