About Liberty House

Liberty House is a nonprofit organization dedicated to supporting children and families facing concerns of abuse, neglect, trauma and grief since 1999. Our successes lead to vital positive social change and we are looking for an experienced child forensic interviewer to join our clinic team.

Liberty House provides a range of services for children and their families including a specialized clinic, mental health services and a prevention program. In the clinic, core services include medical check-ups, forensic interviews and family support. Mental health services are provided in Hope & Wellness Services where our highly trained therapists utilize trauma-informed counseling for children and families. Our prevention program provides community education strategies that are shown to decrease child abuse. The mission of the Child Forensic Interviewer/Family Support Specialist is to skillfully have a conversation with a child which can provide information about a possible event that the child may have experienced or witnessed as well as to support families during what could be an extremely traumatic time in their lives.
