

**Help reshape
and strengthen
victim services
in Oregon to
create
equitable
access to
support for all
victims of
crime.**

Crime Victim and Survivor Services Division of the Oregon Department of Justice is hiring a Fund Coordinator to support programs in providing accessible services.

Join our team to support the development of culturally specific and culturally responsive victim services in Oregon.

Help build relationships with community leaders who serve our populations impacted by inequity.

If you have experienced exclusion or bias, or have been part of a group impacted by inequity, you bring an important perspective to this work.

**Apply online
[here](#)**

We are looking for motivated individuals who want to influence and impact equitable services for all.

This position provides you the opportunity to:

- work independently while still part of a highly functioning team;
- creatively explore funding possibilities with programs; and
- support programs in developing and strengthening services and access to services.
