

Due to protest activity at the State Capitol that is projected to be in effect the week of the presidential inauguration, there will be a delay in processing mail received after Thursday, January 14th. This will include Crime Victim Compensation (CVC) applications received through the mail. Applications and documents can be uploaded through the CVC Portal and will be processed as usual.

CVC will resume processing mail on Monday, January 25th. Please contact CVSSD@doj.state.or.us if you have any questions.
