

Oregon Crime Victim and Survivor Services Division

On June 15, 2021, the CVSSD training platform, iLearn Oregon, is going away. In anticipation of this change, anyone who uses iLearn to access our required training courses should do the following by that date:

- Finish any incomplete CVSSD courses and download, print or save certificates.
- Download and save certificates from previously completed trainings.

Please note that users will not be able to access their iLearn account beginning June 15, 2021. Online courses will not be available June 16-22, 2021. Information about how to access our courses on Workday Learning will be available on our [website](#) by June 22nd.
