

**Join our team
to strengthen
trauma-
informed
response for
victims and
survivors in
Oregon.**

Crime Victim and Survivor Services Division of the Oregon Department of Justice is hiring a Fund Coordinator to **collaboratively create a model training program** for agencies responding to people who have experienced trauma.

Consult and collaborate with experts from community-based organizations representing diverse communities.

Work to **promote, support and strengthen response** to those who have been **impacted by inequity**.

If you have experienced exclusion or bias or are from a community impacted by inequity, you bring an important perspective to this work.

We are looking for motivated individuals who want to be part of improving the response for victims and survivors who have experienced trauma.

This position provides you the opportunity to:

- work independently while still part of a highly functioning team;
- develop and implement model training; and
- support agencies in providing a trauma-informed response to victims and survivors.
